Wolf Haven Offers Kids Summer Camp!

Wolf Haven International has organized a pilot collaboration with *Wolf Camp*, an independent Earth Skills Educational Institute running youth camps since 1997. A summer day camp for children ages 6-12 will be held at Wolf Haven in Tenino, Washington (just south of Olympia) from June 21-25, 2010.

Wolf Camp founder Chris Chisholm and other staff members will provide instruction during the week, with a 4-1 ratio of campers to instructors. Join us for one day, or all week in this fun, skill-building camp which will explore the mima mound prairies of Wolf Haven.

Camp themes will include Birds & Navigation on the Prairie; Pioneer Arts; Crafts & Music; Wild Edible & Medicinal Plants; Wilderness Survival Skills; and Wolf Tracking (with a tour of the wolf sanctuary at Wolf Haven). Space is limited to 20 campers, so register now!

Visit wolfcamp.com/youthcamps for details about pricing, pick-up & drop-off options, camp fees and ways to register or call Chris Chisholm at (425) 248-0253. Wolf Camp will also run an overnight youth camp with an overnight stay at **Wolf Haven** the week of July 11-16.
