

# The Magnificent Food Web!

I need your help connecting the members of this web before it spins out of control. Please label the levels of the web in the left hand column. Write each animal in the right hand column in the appropriate category of the food web on your left, I have given you a head start. Connect the plants and animals in this web to what they are eating. (Remember back to our whiteboard exercise)

 Bald Eagle	 Hare	 Nuts
 Wolf	 Berries	 Seal
		 Tree
 Blue Whale	 Orca Whale	 Hummingbird
 Squirrel	 Salmon	 Krill
 Insects	 Deer	 Phytoplankton
