

Wolf Haven International welcomes you to stay overnight in our sanctuary at our unique summer event: A Midsummer's Night! On this special evening, guests will get an opportunity to engage in a much deeper way with our organization and support our mission. Included will be:

- dinner
- a prairie tour
- an extended enrichment tour in the sanctuary with animal care staff
- songs and s'mores around the campfire (unless county/state burn ban is in place)
- overnight camping
- a continental breakfast
- followed by a morning sanctuary visit

What is Sanctuary? At an animal sanctuary, the philosophy is that the animals always come first. The resident animals of Wolf Haven are given the opportunity to behave as naturally as possible in a protective environment. Every action is examined for any trace of human benefit that may contribute to undue stress for the animals. Our resident wolves on the public tour route are familiar with and used to the regular public tour routine. With this in mind, we have developed an activity limited to 25 individuals. By keeping the group small, the attendees can have a deeper, more intimate experience with our sanctuary, wolves, animal care staff and prairie - yet this will seem routine to our resident animals. We are guests in their home.

Event information

 **CHECK-IN** is 5:00pm and dinner begins at 6:00p. **CHECK-OUT** All campers have a checkout time of 11:00am. Please remove your tent and belongings from the camping area by 11:00am on your day of checkout and leave your campsite clean.
