Wolf Sanctuary Announces New Summer Event
A Midsummer's Night - New Offering at Wolf Haven

Tenino- Wolf Haven International is excited to announce a new event being launched this summer called A Midsummer's Night. This family friendly event is an exclusive opportunity for guests to engage with and support Wolf Haven's mission to conserve and protect wolves and their habitat. Limited to 25 people, A Midsummer's Night will include dinner, a prairie tour, an extended enrichment tour in the sanctuary with animal care staff, songs and s'mores around the campfire, overnight camping, and a continental breakfast, followed by a morning sanctuary visit.
"This new event reflects the heart of what it means to be a sanctuary," said board president John Sleeter. "At a sanctuary, the philosophy is that the animals come first. We never want to place the animals in an unduly stressful situation."

In recent years, some of the wolves (such as Spruce and Shadow) have appeared anxious at Howl-Ins, although they do fine during regular sanctuary tours. The Howl-Ins were capped at 200 guests (35 people per 15 minute tour). In addition, some evaluations from Howl-In customers indicated disappointment over the limited amount of time they were able to see wolves. All of this factored into the decision to move Wolf Haven into a new era.

"The ultimate goal of a sanctuary should be to change the way that humans think of, and treat, non-human animals," explained executive director Diane Gallegos. "Our new event is seen as a way to reflect the heart of what it means to be a sanctuary."

The cost for A Midsummer's Night will be $75/person for adults and $65/person for students.
Dates are: August 3/ August 10/ August 17/ August 24
