***Note:** On Monday, October 21, we are offering free presentations with speakers on current wolf, bear and mountain lion research and management projects in Washington. Please indicate whether you plan to attend the Monday presentations or not. The Monday presentations do not give credits towards a certificate for wildlife handling and immobilization but is an excellent opportunity to hear and speak with experts currently working in the field.

* Do you plan to attend the presentations on Monday, October 21? YES NO

Wolf Haven International • 3111 Offut Lake Road SE • Tenino, WA 98589
