

PLANNED GIVING

Making a “planned gift” to Wolf Haven International is a significant way to carry forward your compassion and concern for the wolves. It is one of the most impactful ways to ensure that Wolf Haven International’s sanctuary, education and conservation work continues. We are reminded every day that our work is far from over. Compassion

Wolf Haven rescues and provides a lifetime home for displaced, captive-born wolves, promotes wolf restoration in historic ranges and teaches the value of all wildlife. The mission of Wolf Haven International is to “Conserve and protect wolves and their habitat.” Wolf Haven accomplishes its mission by providing sanctuary for captive wolves, delivering educational programs, and advocacy for wolves. We are a nonprofit 501(c)(3) organization that has worked for wolf conservation since 1982.

Kindness

“We saw our first wolves ever in Yellowstone National Park nearly 10 years ago. Both of us have looked for ways to support and care for these amazing creatures since. Because we care, each of us has committed a portion of our estate to Wolf Haven. It is comforting to know our contribution will be put to use maintaining this valuable sanctuary.”
