WOLF HAVEN IS A SANCTUARY

A true **sanctuary**:

- ◆ Exists solely for its residents. Their welfare is the highest priority.
- ◆ Commits to the highest level of care. Every action or procedure is examined to ensure that it best serves the animals living there.
- ◆ Does not cater to the needs and desires of people. It follows an animal-centric rather than a human-centered approach.
- ◆ Provides a safe, lifetime home where its residents are free to express themselves and be appreciated for who and what they are.
- ◆ Considers all aspects of an animal's well-being and ensures that they are treated with compassion, respect and dignity from the day they arrive until their end of days.
