

Thank you for your support!

WOLF HAVEN INTERNATIONAL is very fortunate to have so many generous donors. Every year, we receive contributions from thousands of individuals like yourself. These gifts allow Wolf Haven staff to provide the best possible care to the wolves at our sanctuaries, promote fact-based educational programs, and advance environmental conservation to protect wolves and their habitat. In the following pages, you will see the names of the many supporters who helped us in our mission in 2022.

While we are grateful to all our supporters at every donation level, moving forward, we plan to list our donor recognition on our website only. This change will allow us to continue recognizing your support but in a much broader and more environmentally sustainable way.

Thank you for joining us in this work and for your ongoing support – none of it would be possible without you!
