

Wolf Haven International is excited to announce the return of our annual fundraising event, Wolves & Wine! For the first time since 2019, we will be gathering for an evening to enjoy wine in the company of friends, family, and wolf supporters as we raise money for Wolf Haven.

Wolf Haven is a 501(c)(3) nonprofit organization that has worked for wolf conservation since 1982 under the mission “to conserve and protect wolves and their habitat.” Accredited by both the American Sanctuary Association (ASA) and the Global Federation of Animal Sanctuaries (GFAS), Wolf Haven has rescued and provided a lifetime home to over 300 animals in the last 40 years at our sanctuary locations in Tenino, Washington and Bridger, Montana.

Our Washington sanctuary is currently home to 48 animals, including eight red wolves and 20 Mexican wolves who are part of the onsite Saving Animals From Extinction program, managed in cooperation with the U.S. Fish and Wildlife Service. Wolf Haven acquired the Montana sanctuary, known as McCleery Ranch, in 2018, which is home to 20 captive-born gray wolves.

Wolf Haven also offers fact-based educational programs on the value of all wildlife; supports the restoration of wolves in their historical ranges; and actively discourages wolves and wolfdogs from being privately bred and owned as pets. Wolf Haven’s Washington location is also home to the Patrick Vance Dunn Memorial Prairie – 52 acres of rare and protected Mima mound prairie, wetlands, and woodlands that offer unique opportunities for restoration and reintroduction of regionally rare species.

Please consider joining us in our mission by sponsoring the Wolves & Wine 2024 event!

Thank you,

Evan Skytte
Development Director
