

Wolf Haven International is excited to announce that our annual fundraising event, Wolves & Wine, will next be held on March 15, 2025! This evening brings together friends, family, and wolf supporters from all walks of life to share space, enjoy wine, and raise money for Wolf Haven.

Wolf Haven is a 501(c)(3) nonprofit organization that has worked for wolf conservation since 1982 under the mission “to conserve and protect wolves and their habitat.” Accredited by the American Sanctuary Association (ASA) and the Global Federation of Animal Sanctuaries (GFAS), Wolf Haven has rescued and provided a lifetime home to over 325 animals in the past 42 years and is the recipient of the prestigious 2024 GFAS Outstanding Wildlife Sanctuary Award.

Our Tenino, Washington sanctuary is home to 41 animals, including seven American Red wolves and 18 Mexican wolves who are part of the onsite Saving Animals From Extinction program, managed in cooperation with the U.S. Fish and Wildlife Service. Wolf Haven acquired our Bridger, Montana sanctuary, known as McCleery Ranch, in 2018, which is home to 16 gray wolves. Wolf Haven offers fact-based educational programs on the value of all wildlife; supports the restoration of wolves in their historical ranges; and actively discourages wolves and wolfdogs from being privately owned as pets. Wolf Haven is also home to 52 acres of rare and protected Mima mound prairie, wetlands, and woodlands that offer unique opportunities for restoration and reintroduction of regionally rare species.

All Wolves & Wine event sponsors will have their business or name recognized on day-of-event materials for 200 attendees. Additionally, all sponsor names or logos will appear on promotional materials for the event – sent to our email list of over 10,000 supporters and posted on our social media accounts that collectively reach over 100,000 followers.

We invite you to join us in our mission by sponsoring Wolves & Wine 2025!

Thank you,

Evan Skytte
Development Director
